Subject: HW test for #?A269523

Importance: High

Please do not euthanize #A269523. I have someone interested in adopting him, as long as he's heart worm negative and good with other dogs. I will come to assess him tomorrow Aug. 9 when the shelter opens.

Can you let me know his heart worm status ASAP?

Thanks so much,

COMMENTS: I, Officer Gillmore, arrived on scene at 0946. I talked to one neighbor, impounded one dog (269523) and left a courtesy card on the callers door. I put in a vet eval request to have the collar removed. It was tangled up in a mat on its' neck. I cleared the scene at 1013. Cory Gillmore 054 08/01/14
